

Event Banner Image (image submitted with event creation):

- Width: 675px, canvas width at 400px
- Height: 425px

Additional Images:

- After your application is created we will need three additional images for the banner of your event.
 - **Desktop Image**
 - Width: Min 1600px to max 1920px, canvas width at 1024px
 - Height: Min 250px to max 400px
 - **Tablet Image**
 - Width: Min 1024px wide, canvas width at 768px
 - Height: Min 250px to max 400px
 - **Phone/mobile Image**
 - Width: Min 767px, canvas area limited to 320px
 - Height: Min 200px to max 400px

“Canvas size” - Anything important in the image should be kept within that width. Anything outside of the canvas area may be cropped depending on the user’s browser width.
